

Declaration of Conformity – PFAS

in accordance with the PPWR Regulation (EU) No 2025/40, Article 5(5), and the EC Packaging Directives 94/62/EC and 2004/12/EC

PFAS is an abbreviation for per- and polyfluoroalkyl substances, which are widely used in industrial processes due to their water-, grease- and dirt-repellent properties. This group of substances comprises more than 10,000 different substances.

Based on the latest information from our suppliers, we hereby declare that the products distributed by Pulsarlube **do not contain any PFAS chemicals, nor have any been intentionally added.**
